

Since 1893, Castello® has brought a balance of innovation and tradition to the art of cheese making. Castello cheeses cover a wide range of traditional recipes and our own unique crafted cheeses, always made with natural ingredients and great attention to detail.

Creamy spreadable cheese offers a mild buttery taste and is individually wrapped for convenient, on-the-go snacking.

LURPAK® goes back more than 100 years. It was first registered in 1888, which most likely makes LURPAK Butter the oldest brand of butter in the world. Produced according to the toughest standards of quality, which are never compromised. Today, LURPAK Butter can be found in more than 100 countries, making it the most widely-distributed butter in the world.
